ABOUT US

Classic Toys (Ningbo) Co., LTD., founded in 1998, is a well-established toy manufacturer in Ningbo, China. Having built our company from the ground up, we highly value hard work, reliability, and creativity. With 20,000 square meters of production plants and more than 500 employees, our clean and modern facilities are capable of large scale production but with a touch of small. We put much time and effort into designing our products so that our toys are enjoyable for our children. Changes in perception and updated policies are always put in place to adapt to our customer's requirements. We continuously make improvements not only to meet safety requirements but also to exceed them. In doing so, both our customers and we keep high reputation.

Classic Education serves as a high-quality educational toys brand who supply kindergartens and daycare institutions in China and abroad. In last past decade, Classic has cooperating with well-known early education institutions, like oriental baby-love, My Gym, RYB Learning Center, Gymboree and so on., as a trusted partner. By advocating for the nature in playing environment, we encourage the children for active learning and creative thinking. Classic Education provides a happy and intelligent childhood for children!

In addition to vast experience, Classic Education also has a professional sales and training team, an experienced installation team, and strong logistics support. Based on our customers' needs, we offer pre-sale and after-sales service, and regular customer visits - all with the purpose of leaving a trustworthy impression on our customers!
