NICE TO MEET YOU

MEET US

Every child deserves to play with safe toys and toys that stimulate the development and strengthen social skills. We make that promise when you buy a Pragma product. Our products speak to the imagination of children all around and encourage them to be active and social. We believe in honest toys and realise that we must pass the earth on to our children. Our products are therefore manufactured solely from responsibly managed sustainable raw materials.

With our roots in wooden playhouses and high quality toys, we now offer over 800 products ranging from wooden play sets to table games and a range of garden and pet products.

INNOVATION

Our research and development team is continuously working on new product developments both for our own brands as well as custom designs for our customers.

INTERNATIONAL

We have a large network of partners and dealers and are currently active in over 60 countries and have over 150,000 sq ft. (15,000 sq mtr) warehouse facilities in Europe.

LOGISTICS

We support many logistical options such as direct shipments (from factory free on board), stock order shipments (from warehouse to warehouse) and drop shipment orders (from our warehouse straight to your end customer).

PLAYHOUSES AND TOYS

LEADING SUPPLIER

Pragma is one of the leading suppliers of wooden playhouses. Known in the market for our unique crooked houses, we now have over 800 different models within our assortment.

SAFETY AND CERTIFICATION

Our playhouses have a smooth finish and slanted windows, and have been tested to comply with all safety standards in the International market such as EN71, ASTM and TÜV/SGS.

STRONG AND DURABLE MATERIALS

Our playhouses are made of high quality durable cedar or hemlock wood FSC100% and are finished with a protective water-based colour and stain to ensure many years of outdoor fun.

EASY ASSEMBLY AND MODULAR DESIGN

All our playhouses are supplied with pre-drilled panels, complete with fitted windows and doors, making assembling our playhouses like child's play.

OUTDOOR

Besides our huge range of playhouses, we also offer smaller outdoor toys such as picnic tables, sand boxes, sand/water tables, climbers and ride-ons.

ACTIVE

We encourage kids to be active and play outside, so besides playhouses and play sets, we also offer swings and outdoor sports games.

INDOOR

We have been offering roto-moulded high quality indoor toys for many years now and we expanded our range with teepee tents and a nice collection football, airhockey and pool tables.

CREATIVE

We also have some nice products to boost the creativity of children through role-play toys like play kitchens, art desks and workbenches.

FURNITURE

We offer a wide range of garden furniture, from wooden to exclusive garden furniture. Our range is made up of garden sets for smaller but also garden furniture sets for larger gardens. Ask our sales department for the possibilities.

MARKETS

HOME

We always had a strong focus on roto-moulded indoor toys and kids furniture and now we have our range with play tents and wooden indoor products. For adults and children, we also have the Cougar table games.

GARDEN

They say the heart is where the home is, but ours is in the garden. We just love outdoor fun and play and offer the widest range of playhouses, swings, play sets and sports games. Recently we expanded our range with Garden Furniture.

PETS

It started as a joke, designing a pet house that looked like one of our famous crooked houses. Now we offer a full range of pet houses, ranging from chicken coops & dog houses to rabbit hutches.

Ask our sales department for the various option.

DIY

Our products are perfectly suited for the DIY market as standard product, but we also offer sourcing services, customized product and product designs and private labelling options.

HOME

Table games

We have several football, air hockey and pool tables. We also have tables that combine games like a multi-table that can be used for both pool as well as air hockey.

Toys

We started with indoor toys through a close partnership with US based company Step2 and are now offering the entire range of play kitchens, arts desks, workshops etc.

Tents

We have different Teepee tents in our assortment available for drop shipments and stock orders.

Furniture

We love to combine fun and play time with functional design and we recently introduced new benches with storage space. We also offer cool plastic Step2 branded furniture such as dressers and race-beds.

GARDEN

Playhouses

Our complete assortment includes over 200 different playhouses and climbers; from small cute little playhouses for toddlers to big playhouses for kids up to 12 years old.

Play sets and more

We offer over 100 play sets for kids to play with in the backyard. Besides we offer sandboxes, sand/water tables, picnic tables, storage benches and ride-ons.

Swing sets

Our swing set portfolio includes over 100 different swing sets including baby, single, double and wall-mount swings both stand-alone or in combination with playhouses or sport games.

Sport

Outdoor fun also includes sports games and practice, so we also have a range of fun outdoor sports games with tennis nets and multi-sports games.

PETS

Playful pets

Pragma started with the design and manufacturing of wooden playhouses and is now moving towards the pets houses with nice colourful pet homes.

Partnerships

Entering into this market we are looking for partners who are looking to incorporate some fun and playful pet houses into their assortment.

Dog Houses, Chicken Coops, Rabbit Hutches

The first pet house was a dog house with isolated floors based on the design of our unique crooked playhouses and has been a huge success. Nowadays we offer a full range of fun & colourful pet houses, only available through direct shipments from our facilities in China to your central warehouse.

DIY

Products

Our wide range of products include playhouses, climbing towers, play sets, swings, pet houses, sport games, table games and toys with a total assortment of over 900 products.

Sourcing

We are your perfect sourcing partner when it comes to products for home, garden or pets. Options include private labelling and stock support.

DIT - Doing It Together

You don't have to do it yourself as we offer drop shipments with customised packing slips and fast delivery times from one of our localized warehouse in Europe, N-America and Asia.

DIY made easy

Even your customers don't have to do it all by themselves as all our products are easy to assemble; our playhouses have ready-to-go pre-assembled panels to get kids playing in no time.

LAKESIDE PLAYHOUSE **NEW**

Article number A701.001.00

Do your children love to play outside? The playhouse Lakeside by AXI from the ecological Valley Green series, offers children the opportunity to let their imagination run free. Lakeside is a fun and simple playhouse with a neutral wood look, which makes it perfect for any garden. Children can open and close the windows at Lakeside and enter through a sturdy half door. The Lakeside playhouse is made from organic residual material that looks like real wood, and features FSC 100% wood details.

Dimensions Lakeside playhouse

- Outside dimensions (LxWxH): 135 x 111 x 133 cm
- Inside dimensions (LxWxH): 97 x 89 x 128 cm
- Door dimensions (WxH): 44 x 61 cm

Easy assembly

AXI playhouses are constructed from prefabricated panels, including any windows and door(s). The parts are usually pre-drilled so that the house can be assembled in no time.

SUSTAINABLE ECO- OUTDOOR TOYS

The playhouse Lakeside from the ecological outdoor toy series Valley Green is produced from biological waste. The material called UPB (Universal Performance Board) consists of about 60% rice husk, about 22% rock salt and about 18% mineral oil. It is a perfect alternative to wood, because it has the look and feel of wood.

The natural material possesses unique properties and is 100% recyclable, weatherproof, it does not rot, split or splinter and is also easy to maintain. In addition, the sheet material does not become slippery in damp conditions and is therefore non-slip. In summary, the Valley Green toys are not only super fun to play with, but also very safe for children.

PRODUCT DETAILS VALLEY GREEN
